

Prince Premium+ is here to stay. We have methodically readied the brand to compete in the North American and European marketplace along side Kimberly Clark, Hartalega, Cranberry and Cardinal in quality, reliability and price.

- ASTM 6319 Tested
- ASTM 6978 Tested
- All ISO Standards
- 4 mil standards
- 510k Submission

Tested Against 9 Chemotherapy Drugs - Prince Premium Exam Gloves are an excellent choice for protection against chemical exposure. They have been tested against 9 chemotherapy drugs per the ASTM D6978 "Standard Practice for Assessment of Resistance of Medical Gloves to Permeation by Chemotherapy Drugs," as well as common chemicals found in the healthcare environment.

Prince Premium+ Exam Gloves have an AQL of 1.5 for critical defects. This means that Prince Premium+ Exam Gloves are significantly less likely to have critical defects than exam gloves that just meet the ASTM 2.5 AQL requirement.

- Consistency
- Reliability
- Quality
- Service

We currently have availability to purchase 40,000 boxes at a time en route to the US or quantities as low as 10,000 boxes from our warehouse in Torrance, CA.
